board as finalists, the Board unanimously
voted to hire Carol J. (Philla) Adams to
fill the vacancy left by the resignation of
Stephen Lombard. Chairman William Hub-
bard read a statement in which the Board
affirmed that Mrs. Adams' long experi-
ence (over 9 years) in the Selectmen's
office as secretary to the executive sec-
retary, has qualified her extremely well
for the post and has given her an under-
standing of the duties required second to
none.

ASKS SELECTMEN'S SUPPORT

Mel Miller, of the Marion Center for
Human Services, asked that Selectmen sup-
port his organization's effort to obtain Dis-
cretionary Funding from the Department of
Elderly Affairs to finance the tri-town news-
letter. Mr. Miller said that funds may be
available and that rural areas are preferred
recipients of such money. The Selectmen
assured Miller of their full support.

LOCAL AID FORMULA MAY CHANGE

Former Executive Secretary Stephen Lom-
bard (who has continued to appear and as-
sist the Selectmen while a replacement is
chosen) pointed out to Selectmen that the
Massachusetts' legislation is presently
considering a redistribution of the local

WHARF RULES AND CHANGES

Wharf Commissioner Lloyd Haskell and Town Clerk Lois Bassett discussed with Selectmen a set of wharf rules, fees and revisions. In brief, the proposal would combine the Harbormaster/Wharf Commissioner post under the designation of Commissioner; would require proof of boat ownership as a requirement for the holding of wharf space, by March 1st (instead of April 1st); bills for space would be mailed January 1st and payment would be required in 30 days (not 60 days); the removal of cars and boat trailers from the black top area next to the bandstand by 5 p.m. would be changed from Tuesday to Wednesday (to conform with band concert night); boats parked on the wharf for repair would be charged a fee of 25¢ per foot per day (instead of 15¢) and \$5. per day for electricity and water (instead of \$1.).

The rule would require that anyone reaching the top of the wharf space waiting list (when a space is available) and does not have a boat or want to acquire one would be removed from the list. In order to go

tober 5-9, National Fire Prevention Week.

The Captain Noburn Fire Prevention Program was sponsored through the generosity of the Giles Dunn Insurance Agency. Fire Chief Paul Bradley is responsible for bringing this program to the Mattapoisett Public Schools. According to Katherine L. Kozicki, Principal of Center School, the program's thrust is designed to help children avoid panic should they find themselves in a building in which a fire occurs.

An important part of the first and second grade program is to have parents work with their children in an effort to reduce the danger of fire in the home. Material related to fire prevention was taken home by

Thank You

CALVIN R. DAGGETT SQUARE

We wish to express our sincere thanks to our relatives and friends for sharing with us the beautiful dedication and memorial services for the Calvin R. Daggett Square.

Thank you very much to the committee for all their work in preparing for the ceremony.

Thanks to all the people who took part in the service and the Scout Troops and Packs that took part.

A special thanks to Mrs. Elmer H. Lawrence, Sr. and her late husband for sharing their home with Cal. If it wasn't for these wonderful people none of us would have had the honor of sharing Cal's life, especially me, our sons and their wives and our grandchildren.

God bless all of you for being there when we need you.

recently asked of Dr. Thomas Frazee by members of Team Seven East. Dr. Frazee was at the Junior High School to talk to the students about teeth, a subject which has previously been studied in Mr. Hubbard's science class. From the students' point of view, the doctor's expertise came as an entertaining and rewarding adjunct to the classroom work. Among the topics discussed were the structure of teeth, types of teeth, tooth decay, and diseases of the gum.

Presentations of this type are occurring with frequency now at the Junior High School as a part of the UPLIFT Program. The staff and administration are attempting to enrich the curriculum and "turn students on" to additional thinking, reading, and writing skills.

STUDENT AFFAIRS COMMITTEE

Students at the Old Rochester Regional Junior High School recently elected representatives to the school's Student Affairs Committee. The Student Affairs Committee functions as the student government and premier student social organization. S.A.C. projects include sponsorship of the school store, the assembly program, support for student clubs, planning student orientation programs and performing charitable work.

Each year the S.A.C. constitution calls for the election of 16 representatives. Candidates must be nominated by the faculty, prepare posters, visit homerooms, participate in video tape debates and perform other campaign activities to qualify for the ballot.

After an intense period of political activity the final returns on October 2nd were as follows:

Since nature has a way with checks, balances and compensations, the Smiths have observed that there are more ducks now on the pond and the geese that were fiercely driven away by the adult swans have started to put down on the pond. Our point that the area behind Goodspeed Island is attractive to wild birds apparently was not too far off the mark. (Goodspeed Island, a privately owned piece of land has been posted repeatedly by the owners to ban hunting with the signs dis-

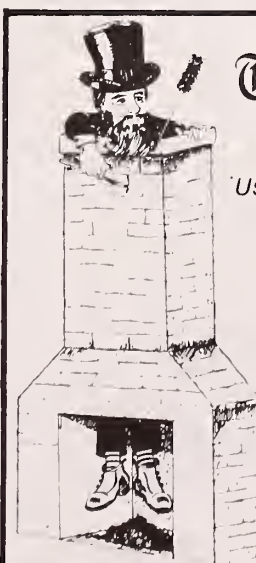

appearing very suddenly.)

ceiving end of 17 Greg Sabine aerals. The champion Cobras, with Rodman's valuable help at running back, copped the regular season EFL crown. The Cobras posted an enviable 8-1 mark, losing only to Hyde Park. Winners in their playoff game against Lynn, the Cobras will vie with powerful Albany Saturday night under the lights at Middleboro hoping to add still another title.

The New Yorkers eked out a thrilling 14-13 win over stubborn Hyde Park to earn a playoff shot against the Cobras who whipped them 13-3 during the regular season. In that contest, Rodman rushed for 110 of his 951 yards on 18 carries. Elated over his honor and looking ahead to the second big

meeting with Albany, Rodman said, "It's a great feeling to be honored this way, but far more important right now is helping the team beat Albany again. That's my goal." Rodman was also named the EFL's offensive player of the year and in 1980 was a member of the EFL's All-Star unit.
